

Friday, June 7th

Start	End	Topic	Speaker
08:15am	08:30am	Welcome Coffee	
08:30am	08:40am	Introduction	SERVIER
08:40am	09:00am	Panel Discussion: 360° View of the Patient	
09:00am	09:55am	Healthy Arteries and the Enigma of Endothelial Dysfunction: Insights for General Practitioners 25min	Dr. Nicolás Renna (ARG)
		Vascular Legacy in Hypertension: Hypertensive Diabetic & High Systolic Blood Pressure Patients 25min	Dr. Juan Mauricio Cárdenas (COL)
09:55am	10:05am	Q&A	
10:05am	10:38am	33 Minutes INSIDE the Cardiac Metabolism of Ischemic Patients	Dr. Francisco Padilla (MÉX)
10:38am	10:50am	Q&A	
10:50am	11:10am	Coffee Break	
11:10am	11:50am	Myths and Realities in Chronic Venous Disease and Hemorrhoidal Disease	Dr. Hernando Valverde (CR) & Dr. Lorena Grillo (CR)
11:50am	12:05m	Q&A	
12:05m	12:35m	Comprehensive approach for patients with Type 2 Diabetes: Control and protection, benefits that go hand in hand	Dr. Francis Ruiz (CR) & Dr. María Alejandra Ramos (HON)
12:35m	12:50m	Q&A	
12:50m	1:10pm	Photo	
1:10pm	2:40pm	Lunch	
2:40pm	3:20pm	Optimizing Healthcare: The Role of Artificial Intelligence in Daily Practice	Dr. Fernando Bonilla (GUA)
3:20pm	3:35pm	Q&A	
3:35pm	4:25pm	Chronic Venous Disease	Hypertension
		Group 1 Group 2	Group 3 Group 4
		Hemorrhoidal Disease 360°: Diagnosis, Treatment and Practical Advice <i>Dr. Hernando Valverde (CR) & Dr. Marycela Castillo (NIC)</i>	Practical cases of AI in healthcare and in the risk stratification assessment of hypertensive patients <i>Dr. Fernando Bonilla (GUA)</i>
4:25pm	4:45pm	Coffee Break	
4:45pm	5:35pm	Hypertension	Chronic Venous Disease
		Group 1 Group 2	Group 3 Group 4
		Practical cases of AI in healthcare and in the risk stratification assessment of hypertensive patients <i>Dr. Fernando Bonilla (GUA)</i>	Hemorrhoidal Disease 360°: Diagnosis, Treatment and Practical Advice <i>Dr. Hernando Valverde (CR) & Dr. Marycela Castillo (NIC)</i>
5:35pm	5:40pm	Conclusions of the day	
7:30pm		Dinner	

Saturday, June 8th

Start	End	Topic				Speaker
8:30am	8:40am	Intro Umbrella				Dr. Carlisle Goddard
8:45am	10:00am	Group 1: Hypertension	Group 2: Diabetes	Group 3: CVD + HD	Group 4: CAD	
		Home vs Office BP Monitoring: Could we be measuring BP incorrectly? (partnership OMRON) <i>Dr. Nicolás Renna (ARG) (30 min)</i>	A Multidisciplinary View of the Patient with Type 2 Diabetes: Practical Cases <i>Dr. Francis Ruiz (CR)</i>	Management of Venous Ulcers: From Diagnosis to Treatment <i>Dr. Lorena Grillo (CR)</i>	"How i met my Ischemic Patient" <i>Dr. Aimée Flores (RD)</i>	Dr Francisco Padilla <i>Cardiologist (MEX)</i> Dr Francisco Regalado <i>DAFLON (SAL)</i> Dr Nicolás Renna <i>HyperTension (ARG)</i> Dr Carlos Brenes <i>HyperTension (CR)</i> Dra Alejandra Ramos <i>Diabetes (HON)</i>
		Rhythm and Rigidity: An Interactive Workshop on ECG Interpretation and Arterial Stiffness <i>Dr. Carlos Brenes (CR) (30 Min)</i>				
10:00am	10:20am	Coffee break				
10:20am	11:35am	Group 2: Hypertension	Group 3: Diabetes	Group 4: CVD + HD	Group 1: CAD	
		Home vs Office BP Monitoring: Could we be measuring BP incorrectly? (partnership OMRON) <i>Dr. Nicolás Renna (ARG) (30 min)</i>	A Multidisciplinary View of the Patient with Type 2 Diabetes: Practical Cases <i>Dr. Francis Ruiz (CR)</i>	Management of Venous Ulcers: From Diagnosis to Treatment <i>Dr. Lorena Grillo (CR)</i>	"How i met my Ischemic Patient" <i>Dr Francisco Padilla (MEX)</i>	Dr Francisco Padilla <i>Cardiologist (MEX)</i> Dr Francisco Regalado <i>DAFLON (SAL)</i> Dr Nicolás Renna <i>HyperTension (ARG)</i> Dr Carlos Brenes <i>HyperTension (CR)</i> Dra Alejandra Ramos <i>Diabetes (HON)</i>
		Rhythm and Rigidity: An Interactive Workshop on ECG Interpretation and Arterial Stiffness <i>Dr. Carlos Brenes (CR) (30 Min)</i>				
11:40am	12:55m	Group 3: Hypertension	Group 4: Diabetes	Group 1: CVD + HD	Group 2: CAD	
		Home vs Office BP Monitoring: Could we be measuring BP incorrectly? (partnership OMRON) <i>Dr. Nicolás Renna (ARG) (30 min)</i>	A Multidisciplinary View of the Patient with Type 2 Diabetes: Practical Cases <i>Dr. Francis Ruiz (CR)</i>	Management of Venous Ulcers: From Diagnosis to Treatment <i>Dr. Lorena Grillo (CR)</i>	"How i met my Ischemic Patient" <i>Dr. Aimée Flores (RD)</i>	Dr Francisco Padilla <i>Cardiologist (MEX)</i> Dr Francisco Regalado <i>DAFLON (SAL)</i> Dr Nicolás Renna <i>HyperTension (ARG)</i> Dr Carlos Brenes <i>HyperTension (CR)</i> Dra Alejandra Ramos <i>Diabetes (HON)</i>
		Rhythm and Rigidity: An Interactive Workshop on ECG Interpretation and Arterial Stiffness <i>Dr. Carlos Brenes (CR) (30 Min)</i>				
12:55m	2:25pm	Lunch				
2:25pm	3:40pm	Group 4: Hypertension	Group 1: Diabetes	Group 2: CVD + HD	Group 3: CAD	
		Home vs Office BP Monitoring: Could we be measuring BP incorrectly? (partnership OMRON) <i>Dr. Nicolás Renna (ARG) (30 min)</i>	A Multidisciplinary View of the Patient with Type 2 Diabetes: Practical Cases <i>Dr. Francis Ruiz (CR)</i>	Management of Venous Ulcers: From Diagnosis to Treatment <i>Dr. Lorena Grillo (CR)</i>	"How i met my Ischemic Patient" <i>Dr Francisco Padilla (MEX)</i>	Dr Francisco Padilla <i>Cardiologist (MEX)</i> Dr Francisco Regalado <i>DAFLON (SAL)</i> Dr Nicolás Renna <i>HyperTension (ARG)</i> Dr Carlos Brenes <i>HyperTension (CR)</i> Dra Alejandra Ramos <i>Diabetes (HON)</i>
